

Fermi Redmine - Bug #21656

JavaScript highlighting is incorrect

01/10/2019 02:44 PM - Beau Harrison

Status:	New	Start date:	01/10/2019
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description <pre>const lkup = new LOOKUP; const result = await lkup.deviceByName("M:OUTTMP"); console.log(result);</pre> <p>In the snippet above const, new, await, and string should all be highlighted. Only the string and new are highlighted. It appears that Redmine has already fixed this in version 4 by using Rouge.</p> <p>I tested this snippet on the Rouge site and it highlights correctly.</p> <p>#19930 is related but in the context of bash.</p>
